FILE: 100-15

12 August 1983

MEMORANDUM FOR: Director of Central Intelligence
VIA: Deputy Director of Central Intelligence
FROM: Harry E. Fitzwater
Deputy Director for Administration
SUBJECT: Weekly Report for Period Ending 12 August 1983

1. Progress reports on tasks assigned by DCI/DDCI:

None pending.

2. Items/events of interest:

d. Two weeks ago we reported that a seemingly disturbed person placed 481 calls to the Agency switchboard during 22 - 24 July. More recently, the caller placed 1,997 calls during the period 2 - 8 August. The caller has been identified; however, after threatening to remove his telephone--which only further agitated the man--C&P union workers went on strike.

e. The Communications Workers of America strike has also seriously curtailed or halted all work on the installation of the Dimension telephone systems at Ames, Chamber of Commerce, and Key Buildings.

SECRET

f. Mr. Robert Grimes, Deputy Manager, National Communications System, visited with the Director of Communications (D/OC) during this reporting period. [redacted] former D/OC and currently an advisor to [redacted] [redacted] also visited with D/OC.

j. The first meeting of the Traffic Advisory Committee regarding the new building is being organized for 25 August.

k. On Saturday, 6 August, there was an electrical fire at the rear of the [redacted] which was handled by the McLean Fire Department. No major damage resulted.

3. Significant activities anticipated during the coming week:
